MINUTE ENTRY

The Court has considered the testimony and evidence presented at the evidentiary hearing held this date and finds and concludes as follows:

THE COURT FINDS that there is a substantial and continuing change of circumstances warranting modification of the child support order in this case.

THE COURT FURTHER FINDS that the relevant financial factors required to be included, and the discretionary allowances and adjustments which the Court will allow, for a calculation of child support pursuant to the Arizona Child Support Guidelines are set forth in the Child Support Worksheets prepared by the Court this date, which the Court hereby incorporates and adopts as its findings with respect to child support.

SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

FC 2008-050060

08/06/2009

THE COURT FINDS that during the period February 2009 through June or July 2009, Brenton lived primarily with Father and Brandon lived primarily with Mother. Since that time, Brandon has continued to live primarily with Mother and Brenton has split time between both parents' homes.

THE COURT FURTHER FINDS that as set forth in the Child Support Worksheets, Father's child support obligation to Mother for the support of Brandon for the period February 1, 2009 through July 31, 2009 is \$218.59 per month, and Mother's child support obligation to Father for the support of Brenton is \$426.09 per month for the same period.¹

IT IS ORDERED that Father's child support obligation to Mother shall be offset against Mother's child support obligation to Father, and Mother shall pay the difference to Father in the amount of \$207.50 per month, payable through the Support Payment Clearinghouse, for the period February 1, 2009 through July 31, 2009.²

THE COURT FURTHER FINDS that as set forth in the Child Support Worksheets, Father's child support obligation to Mother for the support of Brandon for the period commencing August 1, 2009 is \$328.86 per month, and Mother's child support obligation to Father for the support of Brenton for the period commencing August 1, 2009 is \$39.63 per month.

IT IS ORDERED that Mother's child support obligation to Father shall be offset against Father's child support obligation to Mother, and Father shall pay the difference to Mother in the amount of \$289.23 per month, payable through the Support Payment Clearinghouse by wage assignment, commencing August 1, 2009.

LET THE RECORD REFLECT that a modified Order of Assignment is initiated electronically by the above-named Deputy Clerk.

LET THE RECORD FURTHER REFLECT that copies of the Child Support Worksheets are mailed to the parties by way of separate mailing.

¹ Mother's child support obligation to Father is significantly higher than Father's obligation to Mother due to the spousal maintenance order in effect during that time period and the fact that Brenton spent approximately 75% of his time with Father.

² While Mother has not filed a Petition to Enforce the spousal maintenance order, she suggested during the hearing that Father has not complied with his spousal maintenance obligation. If Father has not paid some or all of the spousal maintenance due for this period, the parties should consider offsetting Mother's child support obligation (\$207.50 per month) against Father's spousal maintenance obligation (\$500 per month) with Father paying the difference to Mother (\$292.50) through the Support Payment Clearinghouse. If the parties agree to this, a written stipulation may be submitted to the Court setting forth, in detail, their agreement.

IT IS FURTHER ORDERED that any time an Order of Assignment is not paying the child support obligation in full, Father and Mother shall make full and timely payments directly to the Support Payment Clearinghouse in accordance with the "Instructions for Making Support Payments through the Clearinghouse" mailed to Father and Mother by way of separate mailing.

IT IS FURTHER ORDERED that Mother shall provide medical and dental insurance for the benefit of the minor children, and the parties shall share the costs of medical, dental and vision expenses not paid by insurance as follows: for the period February 1, 2009 through July 31, 2009: Father: 29% and Mother: 71%; for the period commencing August 1, 2009: Father: 42% and Mother: 58%.

IT IS FURTHER ORDERED that if Mother has not already done so, she shall provide insurance cards and claim filing information/forms to Father.

IT IS FURTHER ORDERED that except for good cause shown, any request for payment or reimbursement of uninsured medical, dental, or vision costs must be provided to the other parent within 180 days after the date the services occur. The parent responsible for payment or reimbursement must pay his or her proportionate share, as ordered by the Court, or make acceptable payment arrangements with the provider or person entitled to reimbursement within 45 days after receipt of the request. Failure to make such payment(s) may result in a finding of contempt, which may result in sanctions, including incarceration.

IT IS FURTHER ORDERED that both parents shall use their best efforts to obtain services that are covered by the children's insurance. A parent who is entitled to receive reimbursement from the other parent for medical, dental, or vision costs not covered by insurance shall, upon request of the other parent, provide receipts or other evidence of payments actually made.

IT IS FURTHER ORDERED that the parties shall claim the tax exemptions related to the children as previously ordered in the Child Support Order entered on April 18, 2008.

IT IS FURTHER ORDERED that every **six** months hereafter, the parties shall exchange financial information, including tax returns, spousal affidavits and earnings statements.
